

Hi my name is Christine! I was born in San Antonio, TX and grew up there playing basketball, softball and volleyball. As I developed through middle school, I found my groove as a setter/rightside hitter. My love for volleyball grew and in high school I was fortunate enough to be able to play club as well as playing for my school. I graduated high school in 2006 and went on to play at a Junior College in Kansas. After my 2 years there I decided to come back to San Antonio, and I started coaching! In 2013 I decided to join the Navy and since then I have had the pleasure of playing for the All-Navy team in 2016 and 2018. I have continued my coaching and playing career over the years in places like Japan, California, and Virginia Beach. I love this game and I'm passionate about being able to pass on my knowledge to develop the next generation of athletes with good skills and strong mentality. Outside of volleyball I love to workout and just be active. I hang out with my dog Titus and take him on as many adventures with me as possible.
